Did you know?

AquaRoll Hose Trolley range has been awarded the prestigious reddot award for superior quality.

reddot winner 2018

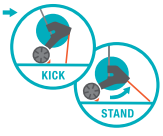
Internationally recognised award for product that display innovative design, seal of quality, attractive brand design and design value.

AquaRoll Hose Trolley M Easy Range

These trolleys offer the Kick&Stand function which guarantees that the trolley won't fall over.

Built in hose guide ensures that the hose rolls up evenly.

The drum can be turned 180° making it suitable for left and right hand use.



GARDENA
Hose Reels

GARDENA Hose Reels are ideal for hose storage in smaller gardens. These reels are versatile and lightweight which makes it easy to transport.
All reels offer:

- Freewheeling crank handle for easy winding.
- Inner hose connection prevents kinking and damage to the hose
- Triangular structure for stability.
- Swivel axle prevents the hose from turning when winding or unwinding.

Space-saving box for balcony, terrace and small gardens

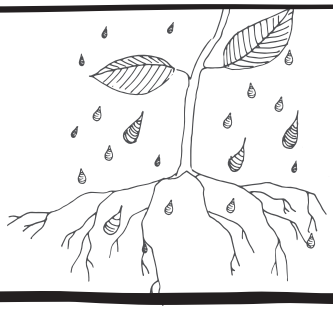
The GARDENA Terrace Hose Box is compact designed and perfect for balconies, terraces and small gardens.

- Integrated handle for ease of transport.
- Can be stored neatly and easily accessible.
- 10m length with a 1.5m connection hose.
- Foldable crank handle.
- Includes GARDENA System Parts and Spray Nozzle.

The Hose Box also ideal for camping or other leisure activities.

Tips and tricks

Rainfall is usually insufficient to provide plants with enough water. Even if the ground surface appears wet, the roots deep down in the soil may not receive any water.



GARDENA - your advantages

1. Quality
GARDENA products are known for their extremely high quality and reliability. The entire production chain is subject to stringent quality guidelines.

2. Innovation/Technology
GARDENA develops products that render garden work as easy and efficient as possible. That's why continuous innovation and product development is undertaken using the latest technology.

3. Ergonomics/Comfort
GARDENA places high value on the ergonomics of their products. Products are designed for user comfort and makes garden work easier.

4. Service
Should you have any questions / queries relating to GARDENA products, please send your email to service@gardena.co.za and we will respond to your inquiry.
