DIRECTORY LISTING

To help you determine the correct Accredited Contractor for your HIPERFLOOR or HIPERTROWEL installation, the following tiered levels is a guide for the project size.

- Level 3, Have the ability to complete up 4000m2 of HIPERFLOOR™
- Level 2, Have the ability to complete up 2000m2 of HIPERFLOOR™
- Level 1, Have the ability to complete 500m2 of HIPERFLOOR™

NOTE:

- That 2 or more contractors can work together to achieve the next level of project size.
- "T" next to the Applicators level indicates that they have the ability to install HIPERTROWEL
